

Concluding Remarks

In view of all of the foregoing, we respectfully request that the claim objection, and the rejections of the claims, as amended under 35 USC §112, second paragraph, 35 USC §103(a) be withdrawn.

We are also submitting a Fee Transmittal form covering the first month extension of time fee of \$55.00 and one extra independent claim fee of \$44.00 for small entity. The total number of claims with this amendment remains the same, but we are adding two additional independent claims, which brings the total to four independent claims.

The Commissioner is hereby authorized to charge any deficiency in fees (including any claim fees) or credit any overpayment to our Deposit Account No. 02-2095.

In view of the foregoing, we submit that the application is in order for allowance, and an early indication to that effect would be greatly appreciated. If the examiner wishes to discuss any matter, she is kindly invited to contact the undersigned, Robert Storey at 416-957-1615.

Respectfully submitted,

BERESKIN & PARR
